As an elective this year for High School students, Calvary Christian School will be offering a class in Social Media. This includes creating and managing the CCS yearbook, Newspaper, Website, Facebook, Instagram and Twitter account. Your child/children may have pictures shown on any of these public media avenues. If you **DO NOT** wish to have your child/children's picture shown on some or all of these publications, please notify the school office directly via email or sign below and return to office or mail to:
