

Welcome to Calvary Christian School

101 Calvary Street, Greer, SC
864-877-5555

Calvary Christian School is a ministry outreach of Calvary Baptist Church and is under the church's umbrella, both spiritually and philosophically.

A quality education is the canvas upon which we work toward reaching your child's heart.

Our Three Goals

- Sharing the Gospel of Jesus Christ, who died for our sins and raised Himself from the dead as promised
- Demonstrating growth in a personal relationship with our Lord Jesus Christ
- Reaching the world for Jesus Christ by involvement in church leadership, missions, evangelism, pastoring, and choosing a career of service to the Lord

Why should I choose Calvary Christian School for my child?

- **Focus on Jesus Christ** We regularly share the Gospel of Jesus Christ as the Savior from our sins and learning to grow in a vital relationship with Him.
- **Daily Bible Class, Chapel, Dress Code** Daily Bible study, weekly group chapel services, and on/off campus events reinforce our effort to reach young people for Christ.
- **Church-Based School** Calvary Christian School is an outreach ministry of Calvary Baptist Church. A Bible-based education is at the core of our classroom activities.
- **Small Classroom Size** Our low student to teacher ratio is more effective for educating and teaching spiritual principles (a 15-20 student class is considered large to us).
- **Conventional Classroom Style** A traditional approach to in-person education ensures student engagement, resulting in effective learning.
- **Rules** Read and sign our Student Handbook (available on our website). We have expectations for behavior, attire, and respect for one another. Elementary "Color Change" and high school "Category" tallies track student alignment with school regulations.
- **Academics** Annual state/national testing maintains a current academic status for each student. Internal, periodic grade evaluations (every 3 weeks) inform us early when students require tutoring.
- **Credit Transfers** Credits from Calvary Christian School are accepted for transfers to other schools, and are also sufficient for acceptance into accredited colleges for our graduates. Our class scheduling is primarily college prep, though other arrangements may be made. CCS exceeds SC credit requirements for high school students.
- **Grammar and Reading** Certain educational concepts do not fade away. Reading and grammar are vital to clear communication and understanding that will guide your child through life.
- **Homework** is a required school activity and is monitored the same as behaviors.
- **Financial Commitment** We want to keep you long-term, from now through graduation day. Therefore, registering your student is a minimum ½ year financial commitment, by way of a 5-month billing cycle. Paying the year in advance yields a discount. Monthly payments may also be arranged.
- **Special Considerations** IEPs less than two years old may be considered. Though we are not a special education facility, our flexible environment makes some accommodations possible. Tutoring is available and adjustments for advanced students may be made. Please ask about fees for accommodations beyond our usual school activities.
- **We are Family** Calvary Christian School is our family. Many parents and students have said this about our size and close, friendly environment.
